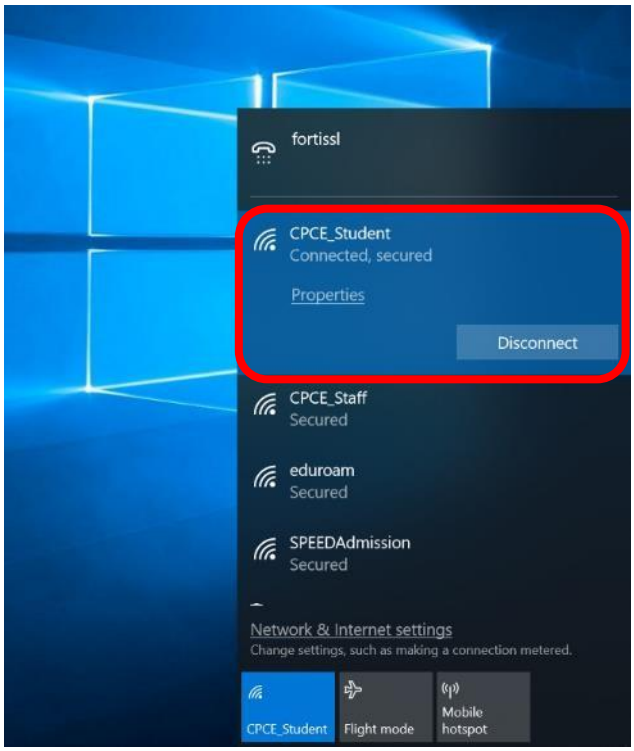
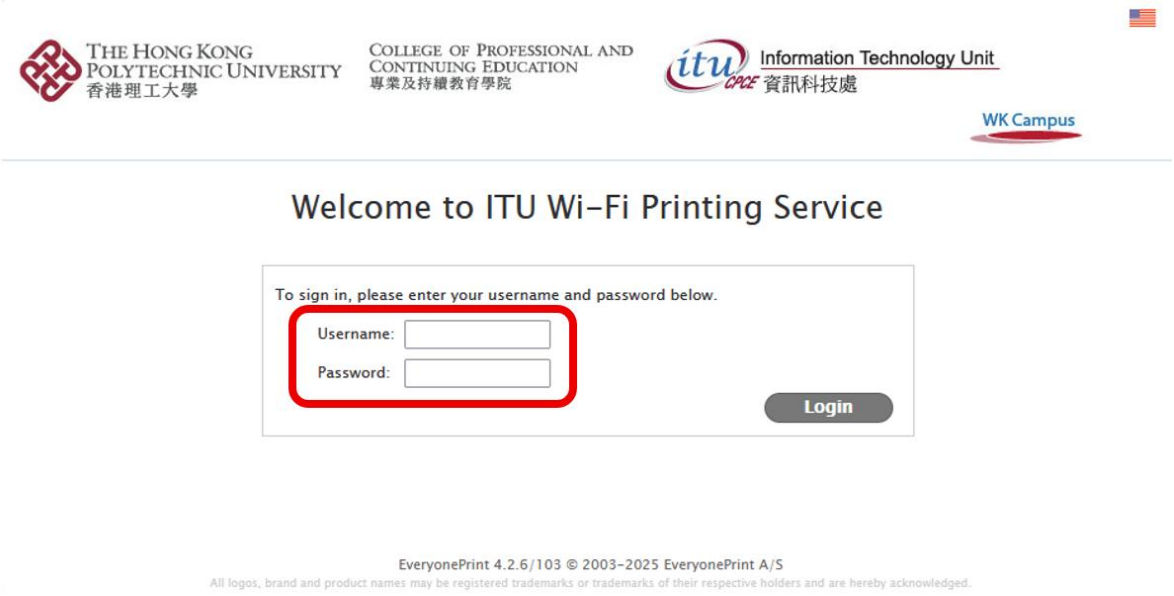
1) **On campus**: connect the notebook to **CPCE_Student** Wi-Fi network

Off campus: connect Wi-Fi or network

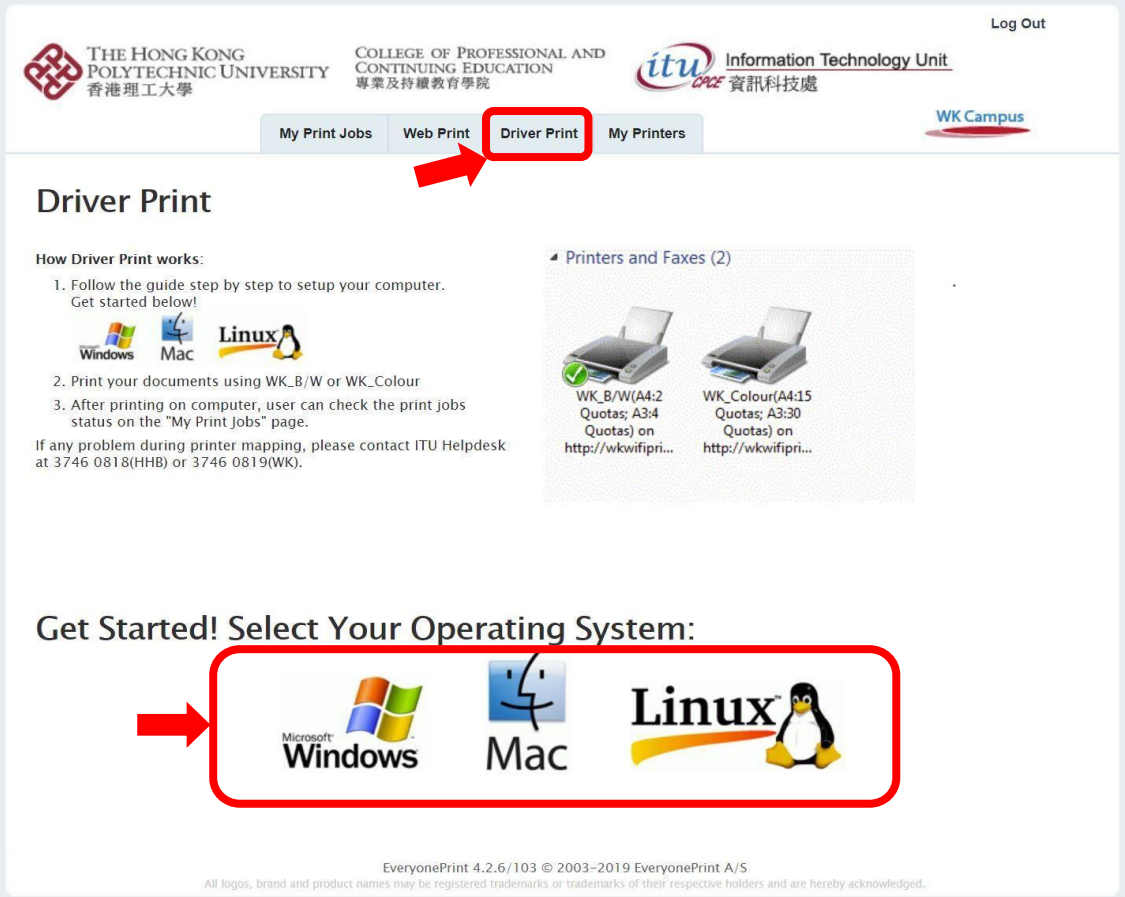


2) Visit **ITU Wi-Fi Printing** web page, then login with student ID and password

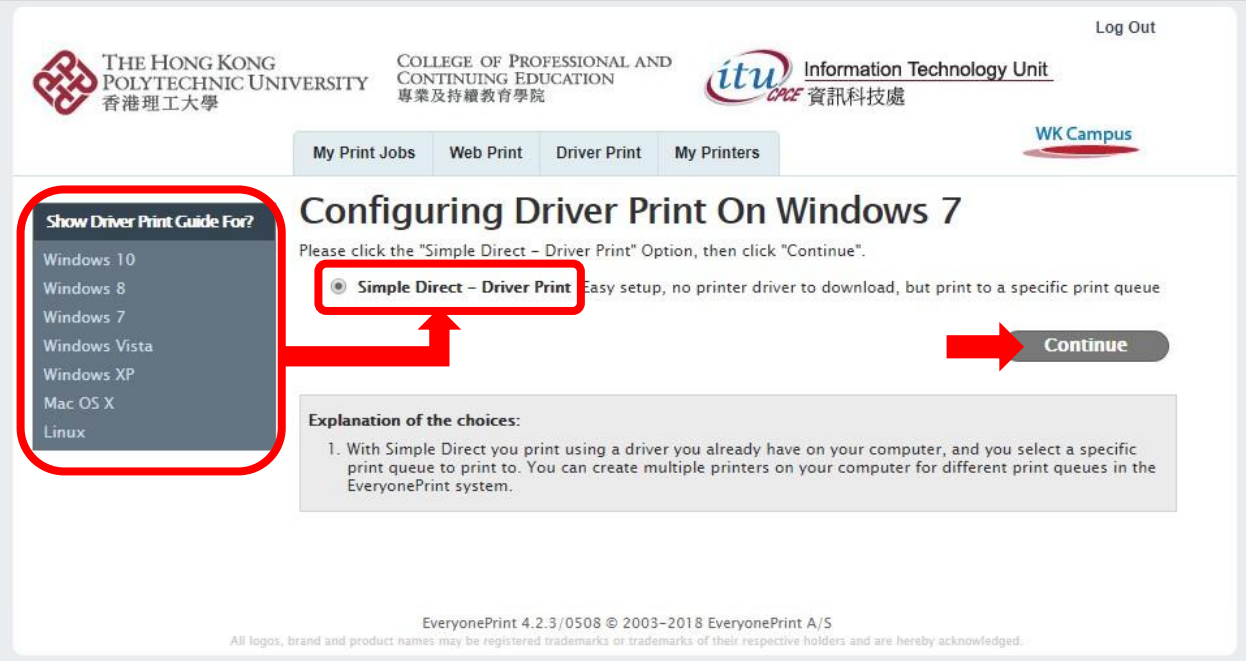
"https://wkwifiprint.cpce-polyu.edu.hk" for Campus Printer



3) Visit **'Driver Print'** page, select your computer operation system to get the user guide (For example: Windows)



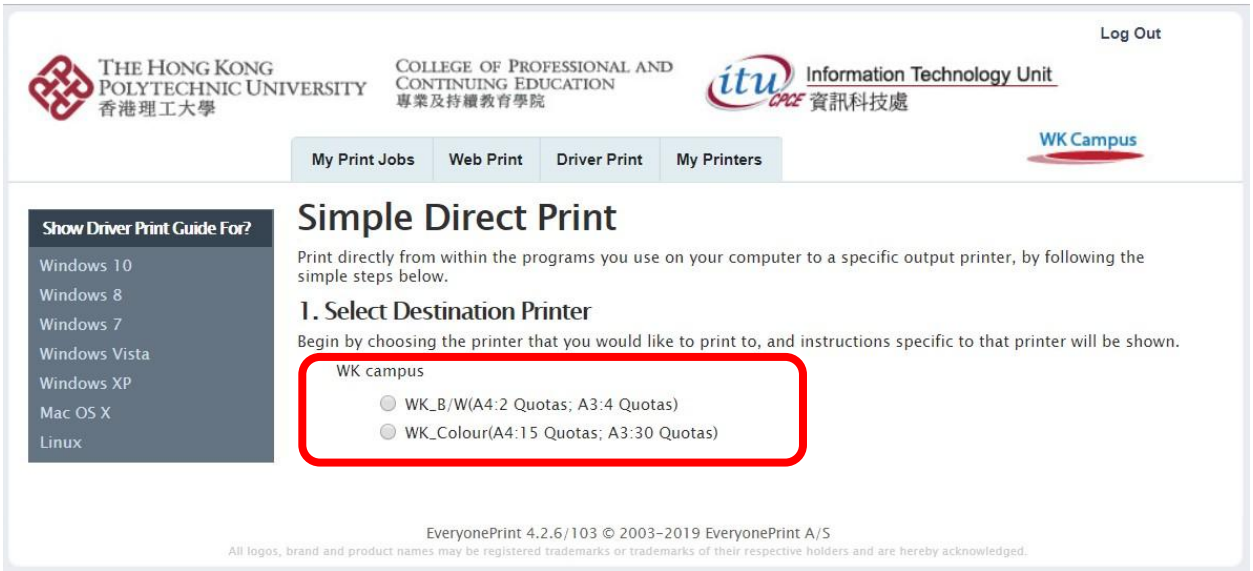
4) Select OS version, click **'Simple Direct – Driver Print'** option, then click **'Continue'**



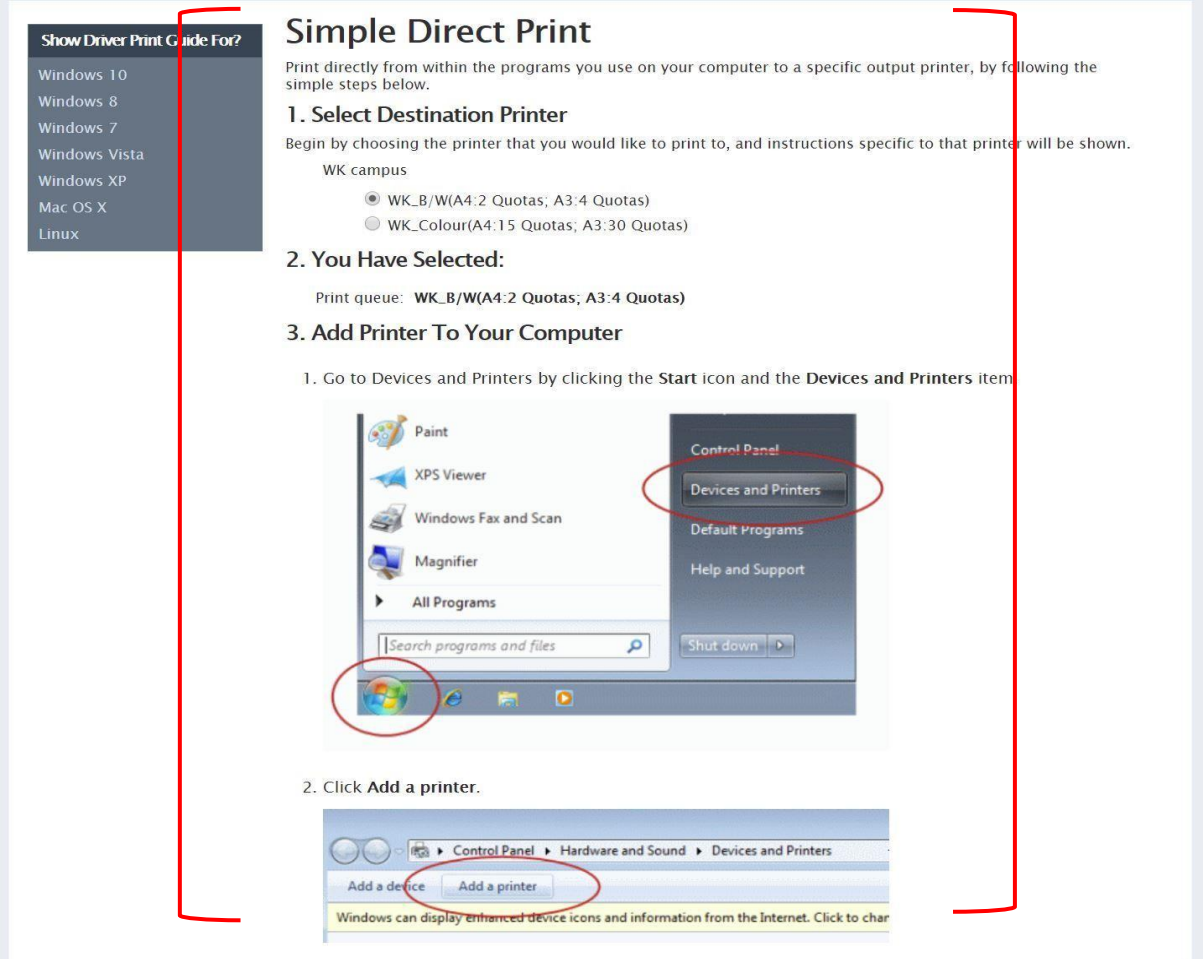
5) Select the printer that you would like to add to your computer

WK_B/W – **For black and white printing**

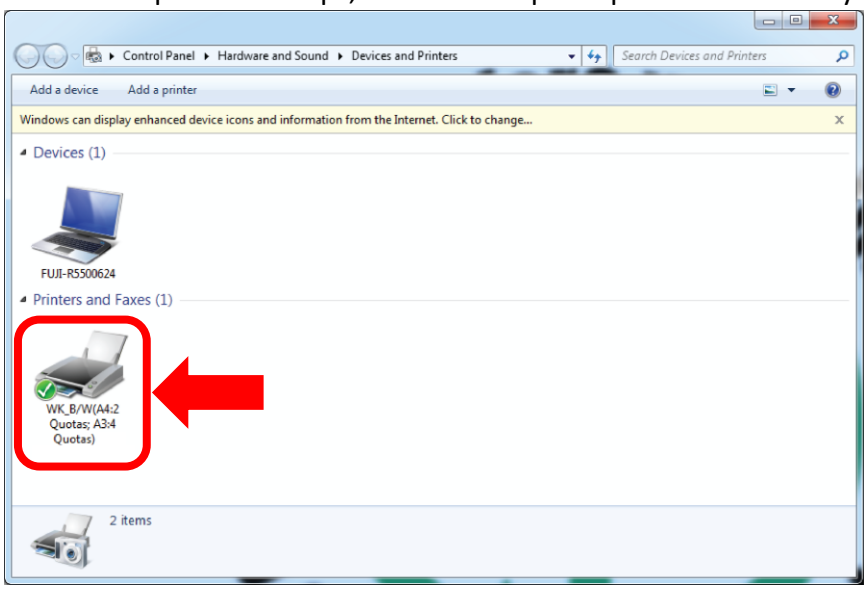
WK_ Colour – **For colour printing**

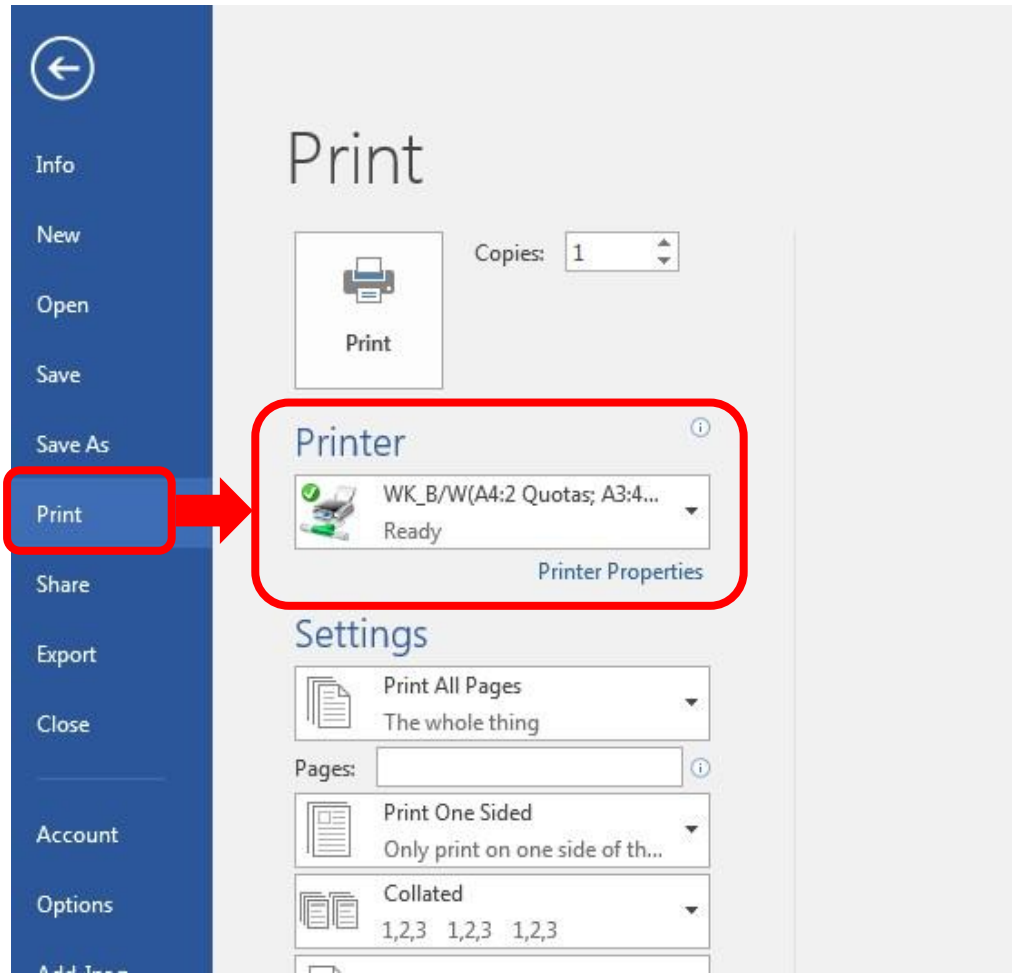


6) Follow the guide step by step on the page to add the selected print queue



7) After completed all steps, the selected print queue is added to your computer.





8) Print your document by select the print queue.
